KEEP COMING BACK!

"Acceptance of ourselves means accepting all aspect of ourselves- our assets, our defects, our successes, and our failures. Shame and guilt left unaddressed can paralyze us, preventing us from moving forward in our lives. Some of the most meaningful amends we can make for the mistakes of our past are made simply by acting differently today. We strive for improvement and measure our success by comparing who we used to be with who we are now."

What is our message?

"The message is that an addict,
any addict, can stop using drugs,
lose the desire to use,
and find a new way to live."

Our message is hope
and the promise of freedom."
